MEADOW MIST

Inspired by the Skylark's flight above the Aberdeenshire fields, Meadow Mist celebrates the fresh, green landscape that surrounds Balmaud Gin, a Scottish single-estate distillery near Turriff, Aberdeenshire. We begin with Balmaud Gin, shaped by its crisp, characterful botanicals. The herbal lift of Green Chartreuse, fresh basil, and a squeeze of lime bring the aroma of a summer meadow to the glass, while ribbons of cucumber and a crack of black pepper add a final flourish of Scottish freshness.
